

# OUDERS & SCHOOL

## COURSE FOR PARENTS AT PRIMARY SCHOOLS

Would you like to learn more about the Dutch primary school system? Would you like to improve your Dutch language skills? Would you like to learn about what your child does at school? Would you like to better understand your child's report card? Would you like to learn how to talk to your child's teacher?

Yes? Then register now for a free course!

### **OUDERS & SCHOOL**

#### What?

You will get to know the Dutch primary school system. Talk to other parents about education. Ask questions about education and school.

#### For who?

Your child is in primary school. You would like to improve your Dutch reading and writing.

#### Where and when?

The course lasts 22 weeks.
Lessons are once a week.
You will hear from us on
which day, time and location
you will be assigned.
